

**2020 FALL
MEETING SERIES**

BROUGHT TO YOU BY

DACA, DREAMERS, & THE TEXAS ECONOMY

WEBINAR
2

OCTOBER 8, 2020 | 10:00 AM - 11:30 AM CDT

Texas is home to more than 100,000 DACA recipients. These children were brought to the United States at an early age, raised and educated here, and are now creating more than 100,000 jobs annually in Texas. It is estimated that their contribution will inject approximately \$350 billion in the national economy over the next decade. A federal Dream Act would give them a path to permanent legal status and help Texas remain economically competitive. The Texas Business Leadership Council recognizes the vital contributions Dreamers have made to their communities and to our economy. Please join us as we discuss how the Texas business community can help resolve this long-unsettled issue and get Congress to pass a Dream Act.
